

# Fire and Rescue Training Institute

PRESENTS:

## Fire Service Case Law

**Hours:** 16

**Prerequisites:** none

**Min/Max Students:** 15/25

**Description:**

This course focuses on the basics of law, the court system, and how both affect the fire service. Specific examples and case studies from fire service case laws will be examined. The course also will use the text *Fire and Emergency Law Casebook* by Thomas Schneid.

**Request This Class for Training:**

This course may be requested and hosted by an individual fire department or a group of fire departments for delivery anywhere in Missouri at any time of the year. Requests can be made by contacting the MU FRTI office. You can download a request form online @ <http://www.mufrti.org/download/student.shtml>
