PRESENTS:

## ISO: How To Get A Better Grade

**Hours:** 12

**Prerequisites:** none

**Min/Max Students:** 15/50

**Description:**

Is your department preparing for an Insurance Services Office (ISO) grading survey? Do you understand the benefits a good ISO survey can provide? This course will prepare you to work with ISO to lower your insurance classification, which, will benefit taxpayers of your jurisdiction. Participants will be given copies of all necessary forms and should bring a copy of their last grading survey, if possible, and a current copy of the ISO grading schedule.

This course is available on a limited basis dependent upon instructor availability.

**Request This Class for Training:**

This course may be requested and hosted by an individual fire department or a group of fire departments for delivery anywhere in Missouri at any time of the year. Requests can be made by contacting the MU FRTI office. You can download a request form online @ <http://www.mufrti.org/download/student.shtml>
