Introduction to Unified Command for Multi-Agency and Catastrophic Incidents

Hours: 12

Prerequisites: NIMS: ICS for the Fire Service
or I-200

Min/Max Students: 15/30

ACE Credit Recommendation:

In the vocational and in the lower division baccalaureate/
associate category, 1 semester hour in Fire Science, Fire
Technology or Fire Administration

Description:

This course is designed for officers who would likely function in a command or a general staff position during a multi-agency operation. Students will be exposed to lectures and activities designed to promote a better understanding of multi-agency needs and a Unified Command structure. This course will cover the requirements of a Unified Command organization and the skills necessary to operate effectively at complex incidents.

Course Goal:

To assist emergency response personnel in the understanding of, and the ability to apply, the Incident Command System (ICS) when multiple agencies are involved at major and catastrophic incidents, and to provide a better understanding of operations under a Unified Command (UC).

Request This Class for Training:

This course may be requested and hosted by an individual fire department or a group of fire departments for delivery anywhere in Missouri at any time of the year. Requests can be made by contacting the MU FRTI office. You can download a request form online @ <http://www.mufrti.org/download/student.shtml>
